Bills – Advanced Deposit (HAC576)

Not applicable to Comptroller General (CG) agencies

Frequency: Annually

Format: PDF

An advance deposit of at least one month’s premium for employer contributions is due to PEBA each year. At the beginning of the fiscal year in July, PEBA bills employers for the advance deposit. Payment is due to PEBA by July 15. You can also view the advance deposit bill in EBS through Online Bill Pay.

The advance deposit bill lists insurance programs for which the employer contributes to the monthly premium (State Health Plan, Basic Dental, Basic Life, BLTD) and the subscriber count enrolled in each of these programs at the end of June. The subscriber count is multiplied by the current employer rate to calculate the deposit amount.

On the last page of the bill, fill in the amount for one-month deposit or more than one-month deposit in the appropriate space. Sign, date and include a telephone number in the space provided.

- A one-month deposit will be credited to the June billing statement, which may result in a balance due or overpayment.
- A more than one-month deposit is credited to your account immediately.

Bills – Active Subscribers (HAC610)

Frequency: Monthly

Format: PDF

On or before the first of each month, PEBA produces a billing statement for active subscribers. This PDF billing statement enables you to maintain the accounting records of each employee. If you verify the information on the billing statement and communicate with PEBA whenever there are questions about the information, the financial process for employees’ benefits works smoothly.

The billing statement includes employer contributions and employee premiums due for all insurance programs.

Group Address page

This page contains the group number, employer name and address, and the billing contact person PEBA will contact if there are any questions. The billing contact person should be the individual responsible for remitting payment for insurance premiums. If there is a change, your authorizing agent should update the primary Billing Contact in EBS under Contacts.

The middle of the page lists your account representative, phone number and PEBA Insurance Finance’s return address.

At the bottom of the page, there is a key to assist with the Coverage Processing section of the billing statement.

The Employer Share for health, dental, Basic Life and BLTD is rolled into one total. Separate totals are provided for the Employee Share for health, Basic Dental, Dental Plus, Optional Life, Dependent Life-Spouse, Dependent Life-Child, SLTD, State Vision Plan, and the tobacco use premium. A grand total is provided (total employer plus employee shares).

Beginning Balance lists the Total Net Balance due from the prior month’s billing statement.

Payment Transactions lists all payments received since the completion of the prior month’s billing statement, including SCEIS payroll deductions (CG agencies only) and returned payments.

Accounting Transactions lists all refunds, canceled refunds and accounting adjustments processed since the prior month’s billing statement. There are two types of accounting adjustments: subscriber and employer account.

- A subscriber adjustment is processed to correct the effective date of a coverage change. A group account adjustment is processed to correct a payment posted incorrectly.
- If an adjustment is processed for a subscriber, the BIN will be listed on the Account Summary page and an Adjustment form will be sent to the employer. This form will show the amount and explain why the subscriber’s account was adjusted.

The Net Premium Outstanding is the total of the Beginning Balance less the Total Payments, plus or minus the Total Adjustments.

The Current Month Billing details are on the Billing Summary pages.

The Retro Summary details are on the Billing Summary and Coverage Processing pages.

The \$3/subscriber Administrative Fee is included for optional employers only.

Total Net Balance is the total of the Net Premium Outstanding, Current Month Billing and Retro Summary.

Billing Summary pages

These pages show a breakdown of the current month’s bill for each program by employee type (full-time; part-time; non-permanent full-time; variable hour).

The summary itemizes the current month premiums, retroactive premiums and total due, for the employer share and the employee share, of each program. The current month’s total number of subscribers enrolled in each of the programs is also included.

Coverage Processing pages

These pages provide a detailed list of enrollments, changes and terminations processed since the completion of the last month’s bill. These changes are listed in alphabetical order by the subscriber’s last name, with the information displayed only for the program(s) affected by the transaction. If no transactions are processed, this section of the billing statement is not included.

Review each subscriber listed against any transaction processed to confirm it was processed correctly. If there is a discrepancy, contact PEBA.

The first column lists the subscriber’s name with the BIN and the date of birth displayed across the page on the same row.

The second column shows which program is affected by the coverage processing entry. View the key on the Group Address page for program help.

The third column lists which plan and coverage level the subscriber elected. The alpha and numeric characters for the various plans are in the key on the Group Address page.

The fourth column shows the effective date.

The next two columns display the employer and employee retroactive premiums and the current rate. The purpose of the current rate is to assist you in reconciling the bill.

The last column (Action) indicates the reason for the transaction.

The grand total for all retroactivity can be found after the last employee listed in the Coverage Processing pages. Retroactivity amounts are also listed on the Account Summary and Billing Summary pages.

Dependent Turning 19/25/26 Within 90 Days Letters (HIS600)

Frequency: Monthly, if applicable

Format: PDF

Letters to accompany dependent turning 19/25/26 within 90 days (HIS501).

According to our records, this dependent is turning 19 and is enrolled in Dependent Life-Child coverage. Eligibility for Dependent Life-Child insurance ends at age 19 unless the child is certified as a full-time student or an incapacitated child. Dependent children with proof of full-time student status may be covered until age 25.

If your child is not a full-time student or incapacitated child, please notify your Benefits administrator to remove the dependent from Dependent Life coverage, and your payroll deductions will be adjusted, as needed.

If you do nothing, your dependent will remain on coverage until age 25. MetLife will require eligibility documentation before any claims will be paid. This includes documentation certifying the child was a full-time student enrolled in high school, trade, vocational or technical school, or college or university (not correspondence courses).

If your child is incapable of self-sustaining employment because of mental illness, intellectual disability or physical disability, and is principally dependent (more than 50 percent) on you for support and maintenance, you must submit an Incapacitated Child Certification Form within 31 days of your child's 19th birthday. If your dependent is approved for coverage as an incapacitated child, your dependent's eligibility will continue.

Remember, MetLife will require eligibility documentation before any claims will be paid.

If you have any questions, please call us at 803-737-6800 (Greater Columbia area) or at 888-260-9430 (toll-free outside the Columbia area).

According to our records, the dependent listed below will turn age 25 within the next 90 days:

Eligibility for Dependent Life-Child insurance as a full-time student ends at age 25, unless your dependent is approved by PEBA Insurance Benefits to continue coverage as an incapacitated child. Therefore, your dependent will be dropped from your Dependent Life Child coverage on the first of the month after your dependent turns 25. If this dependent is incapacitated, contact us immediately at 803-737-6800 (Greater Columbia area) or at 888-260-9430 (toll-free outside the Columbia area).

If you have any questions, please call us.

According to our records, this child will turn age 26 within the next 90 days and no longer be eligible for coverage.

Your child will be dropped from your coverage on the first of the month after he turns 26. Accordingly claims incurred by your child after that will not be paid.

As required, eligibility ends at age 26 unless your child is approved by PEBA Insurance Benefits to continue coverage as an incapacitated child. If your child is incapable of self-sustaining employment because of mental illness, intellectual disability or physical disability, and is principally dependent (more than 50 percent) on you for support and maintenance, you must submit an Incapacitated Child Certification Form within 31 days of your child's 26th birthday. This form is available on the PEBA Insurance Benefits website, www.peba.sc.gov.

If your child is not approved for coverage past age 26, coverage may be continued under COBRA for a maximum of 36 months, if we receive a completed COBRA Notice of Election (NOE) form within 60 days of the loss of coverage and premium payment within 45 days of receipt of the NOE. Please be sure to provide information about your child in the Enrollee Info section of the COBRA NOE. Your child's COBRA coverage will not be effective until the first premium is paid. Please contact your benefits office to make any changes as a result of this child's removal from your coverage and for additional information on COBRA coverage for your dependent.

If you have any questions, please contact your benefits administrator or call PEBA at 803-737-4808 (Greater Columbia area) or at 888-260-9430 (toll-free outside the Columbia area).

Payroll Reconciliation Report

Frequency: Monthly

Format: PDF (Accounting Reports)

PEBA sends an enrollment file to SCEIS daily. SCEIS uses the information on the file (benefit, effective date, type of entry, coverage level and premium) to determine the premiums to be deducted on the next payroll. The reconciliation reports are a comparison of the enrollment files at PEBA and the SCEIS payroll deductions.

PEBA provides a monthly reconciliation (Employee-HAC402; Employer-HAC403) of monthly premiums to all CG agencies. The reconciliation for the previous month is forwarded to the agency with the current month’s billing statement.

The employee reconciliation report (HAC402) lists the subscriber(s) who is being billed a different amount than the deducted premium, in the following page order.

- State Health Plan and the TRICARE Supplement Plan;
- Basic Dental;
- Dental Plus;
- Optional Life;
- Dependent Life-Child;
- Dependent Life-Spouse;
- SLTD;
- State Vision Plan; and
- Tobacco-use premium.

Balance				

The report is created using the monthly amount billed and payroll deducted; refunds and billing adjustments processed; and personal checks remitted during the month. If the amount billed is the same as the amount payroll deducted, the subscriber will not appear on this report. A minus sign by the amount indicates a credit.

The top section of the report is a calculation using the total amount of premiums billed, payroll deductions, refunds, personal checks and billing adjustments to determine the employee balance. The net of the amounts shown for each subscriber equals to the employee balance. The employee balance also matches the Net Premium Outstanding amount on the Account Summary pages of the billing statement.

The subscriber column lists the employee's benefits identification number (BIN) and name. The report is in alphabetical order based on the last name.

The amounts shown in the column for the most current month need your attention. A zero balance in the current month column means the discrepancy was resolved and no action is necessary. Zero balances will remain on the report through the end of the fiscal year and deleted once a new year begins. The report displays four consecutive months to help identify in which month the discrepancy occurred. Amounts that are not resolved carry forward to the next month. If the amount carried forward remains the same, it was one-time error. If the amount changes each month, the error is continuing and should take priority to resolve.

You may need to refer to the reconciliation report, billing statement, the balance screen and subscriber inquiry in EBS and the NOE in your research.

There are some situations in which the discrepancy cannot be avoided due the timing of the when the enrollment is processed and the SCEIS payroll schedule. For example, if a March 1 termination is

processed on February 25, SCEIS cannot stop the deduction for the March 1 payroll, which results in a refund due.

In reviewing the report, you may see that balances appear in one month but do not carry forward to the next month. These are examples of a timing issue and the balances were resolved by a refund, payroll deduction or enrollment transaction. A balance that appears one month and the same balance carries forward is an example of a one-time error. To resolve the discrepancy, determine if there was an enrollment processed (i.e., termination, new hire or coverage change). If the coverage is not correct in EBS, contact PEBA. If the enrollment is correct, review the payroll deductions to determine if the appropriate premiums were collected. If deductions are not correct, open a SCEIS ticket. SCEIS should automatically refund overpayments or collect amounts owed; however, that does not always occur. Therefore, employers should review this report monthly.

It's important to note that after February 1 of each year, SCEIS will no longer collect or refund for enrollment transactions with an effective date in the previous year. The refund request for premiums deducted in the previous year should be submitted to PEBA and balances should be paid by collecting and remitting a personal check from the subscriber to PEBA.

Employer (HAC582)

This report identifies the payroll or enrollment discrepancies for the employer premiums for health, dental, life insurance and long term disability insurance. The discrepancies on the employer accumulator will automatically be resolved in May of each year when the net amount of the employer under or over payments will be billed or refunded to the group. If there is a balance due, an IDT will be billed in SCEIS. If the group is due a refund, the group will enter an IDT document in SCEIS for PEBA to process.

Balance, retro billed, reconciliation amount, checks remitted, Refunds/canceled refunds, canceled warrants, emergency payroll, adjustments, returned checks and employee balance summarized, as well as individual subscriber amounts for each program are included on the report in the following order:

1095 Clean up for SCEIS (HIS17981)

Frequency: Annually

Format: PDF (Enrollment Report)

To comply with Affordable Care Act (ACA) requirements, the S.C. Comptroller General’s Office and SCEIS provided information that was included on your employees’ 2019 Form 1095-C to the Internal Revenue Service (IRS). The IRS notified SCEIS that some of the information did not match their files. To determine a match, the IRS looks only at the first four letters of the last name and the SSN.

This report contains the mismatched information, if applicable, and includes the employee’s information first, then the individual whose information did not match the IRS’ files. Verify the information with your employee and use the guide below to make corrections. If the employee no longer works for you, use the information you have on file to verify the report.

Bills – Retiree, COBRA and Survivor (HRA610)

Frequency: Monthly

Format: PDF (Accounting Report)

The optional employer continues to serve as the benefits administrator for these subscribers; therefore, you will receive the monthly Retiree, COBRA and Survivor bill in addition to the Active Subscribers bill (HAC610).

The PDF billing statement is the same as that for active subscribers. Note that some programs are not listed, because they are not available to these subscribers. The \$3 administrative fee for each retiree, survivor and COBRA participant per month is included on the Account Summary pages.

Collect the premiums for covered retirees, COBRA and survivor subscribers and deposit their checks into your account. Their checks should be made payable to the employer, not PEBA. Do not submit personal checks to PEBA.

A single check should be remitted from the employer for the total amount due shown on the Remittance Advice page of the individual and active group bills.
