About the Total Control Account®

A convenient place to hold the proceeds from your claim while you decide what to do with the money

How the account works

The Total Control Account (TCA) is a draft account that works like a checking account:

- When your account is open, MetLife1 will send you a package which includes additional details about the TCA. We pay the full amount owed to you by placing your proceeds into the TCA and providing you a book of drafts. You can use the drafts like you would use checks.
- You can use a single draft to access the entire proceeds or several drafts for smaller amounts (*as little as \$250*). There are no limits on the number of drafts you can write. Processing time is similar to check processing.
- You also may conveniently use your TCA as a source of funds to pay your bills online or by phone.
- You earn interest on the money in your account from the date your account is open.
- We'll send you an account statement each month when there is activity in your account. If you have no activity, we'll send you a statement once every three months.
- You can name a beneficiary for your account. We'll include a beneficiary form in the package we send you when we open your account.

Interest rates and guarantees

The interest rate on your account is set weekly, and will always be the greater of the guaranteed rate stated in your TCA package, or the rate established by one of the following indices: the prior week's Money Fund Report Averages™/Government 7-Day Simple Yield, or the Bank Rate Monitor™ National Money Market Index. We calculate interest daily and compound it, so you earn interest on your interest. The interest is added to your account monthly. The interest earnings generally are taxable so you should speak with your tax advisor.

No monthly maintenance fees

There are no monthly maintenance or service fees on your TCA, no charges for making withdrawals or writing drafts, and no cost for ordering additional drafts. You may be charged for special services or an overdrawn TCA, and the current fees (*subject to change*) for those services are: draft copy \$2; stop payment \$10; wire transfer \$10; overdrawn TCA \$15; overnight delivery service \$25.

Other important information

- If you do not want a TCA, you may request a check by writing "check" beneath your signature on the attached claim form.
- Your Total Control Account is backed by the financial strength of MetLife. The assets backing the funds are held in MetLife's general account and are subject to MetLife's creditors. In addition, while the funds in your account are not insured by the FDIC, they are guaranteed by your state insurance guarantee association. The coverage limits vary by state. Please contact the National Organization of Life and Health Insurance Guaranty Associations (www.NOLHGA.com or 703-481-5206) to learn more. FOR FURTHER INFORMATION, PLEASE CONTACT YOUR STATE DEPARTMENT OF INSURANCE.
- If there is no activity on your account for a period of time (*typically three years, but this may vary by state*), state regulations may require that we contact you at the address we have on file. If we aren't able to reach you, we may be required to close your account and transfer the funds to the state.
- We may limit or suspend your access to the funds in your account if we suspect fraud or if there was an error in opening your account.
- We use the services of The Bank of New York Mellon, 701 Market Street, Philadelphia, PA 19106, for Total Control Account recordkeeping and draft clearing.
- A TCA generally is not available if your claim is less than \$5,000, you reside in a foreign country, or if the claimant is a corporation or similar entity.
- We may receive investment earnings from operating the Total Control Account. The performance results of any investments we make do not affect the interest rate we pay you.
- To learn more about TCA, please call us at 800-638-7283 (*TDD callers: 800-229-3037*) or write us at Metropolitan Life Insurance Company, Total Control Account, PO Box 6300, Scranton, PA 18505-6300.
