How much can I contribute?

The minimum amount you can contribute to each plan is \$10 per pay period. The IRS sets annual contribution limits for both 401(k) and 457 plans. The 2024 contribution limits are \$23,000 for each plan. If you contribute to both the 401(k) and the 457 plans, you can contribute up to the IRS annual maximum amount to each plan.

Traditional contributions to the 401(k) and 457 plans are made on a before-tax basis, and you pay taxes only when you take a distribution. Roth contributions are made with after-tax dollars, which means you have already been taxed on the money before it enters your account(s). Deferred Comp gives you the choice: Would you rather pay taxes now or later?
