

2024 Preferred drug list exclusions

The medications listed below are not covered by the State Health Plan, and the formulary is subject to change. In most cases, if you fill a prescription for one of these drugs, you will pay the full retail price instead of your current copayment.

Take action to avoid paying full price instead of your current copayment. If you're currently prescribed one of the excluded medications listed below, please ask your doctor to consider writing you a new prescription for one of the preferred alternatives. Additional covered alternatives may be available. Costs for covered alternatives may vary. Log on to [express-scripts.com/covered](https://www.express-scripts.com/covered) to compare drug prices. For specific questions about your coverage, please call Express Scripts at **855.612.3128**.

Express Scripts manages your State Health Plan prescription drug benefit for the South Carolina Public Employee Benefit Authority (PEBA).

[^] Multisource brand exclusion – The generic equivalent of this brand-name medication is covered under your plan. FDA-approved generic medications meet strict standards and contain the same active ingredients as their corresponding brand-name medications, although they may have a different appearance. As new generic medications become available, additional multisource brand products may become excluded.

* Only the combination medicine is excluded.
