

You're Covered with Membership ID Cards

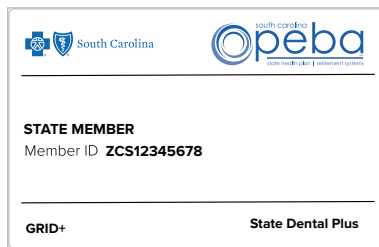

You receive insurance cards for health, prescription, dental and vision benefits. You can also access your digital identification cards from the BlueCross, Express Scripts and EyeMed apps. Only the subscriber's name will be on the cards, but all covered family members can use them.

Missing one of your insurance cards? Any one of them can be replaced using the contacts below, and you will need your Benefits Identification Number (BIN). If you don't know your BIN, visit MyBenefits.sc.gov and select "Get My BIN" in the lower right corner.

State Health Plan

For help accessing or replacing your card, call BlueCross BlueShield of South Carolina at **800.868.2520** or log in to My Health Toolkit®.

Dental Plus

For help accessing or replacing your card, call BlueCross at **888.214.6230** or log in to My Health Toolkit.

If you need a Basic Dental card, contact your benefits administrator.

Prescription drug

For help accessing or replacing your card, Express Scripts at **855.612.3128** or visit www.Express-Scripts.com.

Vision care

For help accessing or replacing your card, call EyeMed at **877.735.9314** or visit www.EyeMed.com.
