

# Your resources for insurance information

The insurance benefits available to you through the South Carolina Public Employee Benefit Authority (PEBA) are numerous, and the specifics of each benefit can seem complex. You have a variety of resources available, however, to help you make sense of them and gain an up-to-date understanding of how your benefits work for you.

## PEBA resources

Because the State Health Plan is self-insured, offered by PEBA itself rather than any of the third-party claims administrators, PEBA is the ultimate source of information about your health plan benefits. These resources provide guidance for many of your insurance questions.

- *Insurance Benefits Guide*
- Customer Contact Center | 803.737.6800 or 888.260.9430

## Third-party resources

Several of our administrators provide online tools to help you navigate their specific claims or services.

### **StateSC.SouthCarolinaBlues.com**

BlueCross BlueShield of South Carolina's website for the State Health Plan and State Dental Plan gives you a network provider locator and information on the value-based benefits that are available at no cost to you. MyHealthToolkit® allows you to review your eligibility for services, your claims and pretreatment cost estimates. For concerns with health and dental claims, contact BlueCross at 803.736.1576 or 800.868.2520.

### **www.Express-Scripts.com**

Express Scripts' website and its mobile app allow you to manage your prescriptions and learn about coverage issues and medication costs. For prescription drug claims, contact Express Scripts at 855.612.3128.

### **www.EyeMed.com**

EyeMed's website gives you access to claims information, discount offers and in-network providers as well as the ability to determine when you will next be eligible for specific vision services. For State Vision Plan claims, contact EyeMed at 877.735.9314.

### [www.metlife.com/scpeba](http://www.metlife.com/scpeba)

MetLife's website gives you information on your optional life or dependent life insurance, if applicable, and offers a life insurance needs calculator. For life insurance claims, contact MetLife at 800.638.6420.

### [www.standard.com/mybenefits/southcarolina](http://www.standard.com/mybenefits/southcarolina)

Standard Insurance Company offers basic long term disability and supplemental long term disability insurance. Its website includes tools for estimating your disability insurance needs and calculating premiums, as well as information on how to convert a policy when insurance ends. For The Standard's Customer Service, call 800.628.9696.

### Connect with PEBA

### [www.myfbmc.com](http://www.myfbmc.com)

WageWorks' website give you access to information about your tax-favored accounts in the MoneyPlus pretax flexible benefits program, including statements, transactions and tax savings analysis. For WageWorks' Customer Care Center, call 800.342.8017.
