

Health premium experience rating load factors for optional employers

For the experience rating, a load factor, or a percentage amount, is added to optional employers' health premiums based on claims history. This factor is added to both the employer and employee health premiums.

Plan year (January to December)					
	2022	2023	2024	2025	2026
Small employers: groups with fewer than 100 covered lives					
% Increase	0.0%	0.0%	0.0%	0.5%	0.0%
Load factor	1.000	1.000	1.000	1.005	1.000
