

# Retiree insurance and eligibility funding

Get Set for Retirement | Insurance  
2022

# Important information

- This presentation is not a comprehensive description of the insurance benefits offered by PEBA.
- For more information, and before you make enrollment decisions, review the [\*Insurance Benefits Guide\*](#).

# Retiree insurance eligibility

- Eligibility for retiree group insurance is not the same as eligibility for retirement.
- Determining retiree insurance eligibility is complicated, and only PEBA can make that determination.
- The Retiree Packet, available at [peba.sc.gov/forms](https://peba.sc.gov/forms), is a comprehensive packet that includes:
  - *Retiree Insurance Eligibility, Funding* flyers;
  - *Employment Verification Record*;
  - *Certification Regarding Tobacco or E-cigarette Use*; and
  - Other helpful information.
- Before you retire, submit an [\*Employment Verification Record\*](#) as early as six months prior to your retirement date to start the process PEBA uses to determine your eligibility for retiree insurance and any possible funding.

# Requirement for any retiree coverage

- Regardless of how or when you qualify for retirement, to qualify for retiree group insurance, your last five years must be:
  - Served consecutively;
  - In a full-time, permanent position; and
  - With an employer participating in the state insurance program.

# Requirements for any retiree coverage

- Earned service credit is time earned and established in one of the defined benefit pension plans PEBA administers.
  - Earned service credit does not include any purchased service credit not considered earned service in the retirement plans (e.g., non-qualified service).
- For State ORP participants and members whose employer does not participate in a PEBA-administered retirement plan, eligibility is determined as if the participant were a member of the South Carolina Retirement System (SCRS). This means one year of employment is equal to one year of earned service credit.

# Retiree group insurance funding

- Retirees of state agencies, public higher education institutions, public school districts, charter schools that participate in both insurance and retirement or other employers that participate in the South Carolina Retirement Health Insurance Trust Fund may be eligible to receive state funding toward their premiums if they meet certain requirements.
- Optional employers and employers that do not participate in the trust fund determine if their retirees pay all or part of the insurance premiums.
- Changing jobs could affect your eligibility for funding.
- See Retiree Insurance Eligibility, Funding flyers in the [\*Navigating Your Benefits\*](#) series for more information.
