4

4

Preventive screenings

- Available to employees, retirees, spouses, dependent children ages 19 and older, and COBRA subscribers whose primary coverage is the State Health Plan.
- Screenings, worth more than \$300, include:
 - Blood work;
 - Health risk appraisal;
 - Height and weight measurements;
 - Blood pressure check; and
 - Lipid panels.
- Share your preventive screening results with your network provider to eliminate the need for retesting at a well visit.

5

Adult vaccinations

- Available to State Health Plan primary members.
- Covered as recommended by the [U.S. Centers for Disease Control and Prevention](http://www.cdc.gov).
- Take advantage of this benefit at a network pharmacy.
- If a member receives a shot at a network doctor's office, the cost of the vaccine and administration fee will be paid in full.
 - Any associated office visit charges will follow regular Plan coverage rules.

Well adult benefits (adult well visit and well woman visit)

- Available to State Health Plan primary members ages 19 and older.
- Evidence-based services with an A or B recommendation by the [United States Preventive Services Task Force](#) (USPSTF) included.
- Take advantage of an adult well visit at a network provider specializing in general practice, family practice, pediatrics, internal medicine or gerontology.
- Eligible female members can receive an annual adult well woman visit at a network provider specializing in obstetrics and gynecology, or they can have a well woman exam in conjunction with or in addition to their annual well visit with a network provider.

7

7

Services not included as part of an adult well visit or well woman visit

- Those without an A or B recommendation by the USPSTF.
- Other services, including a complete blood count (CBC), EKG, PSA test and basic metabolic panel, if ordered by a physician to treat a specific condition, are subject to the copayment, deductible and coinsurance, as well as normal Plan provisions.
- Follow-up visits and services as a result of a well visit are also subject to normal Plan provisions.
- Female members may receive both an adult well visit and a well woman visit in the same plan year, but the USPSTF-recommended services will not be covered more than once per plan year. Duplicate services will be denied.
