Setting up a New Member Access Account

Member Access allows members of a PEBA-administered retirement system to view and update their personal information with PEBA. Follow the steps below to create your account today and start managing your retirement information. If you need more help, watch our “How to Register for Member Access” video.

01 Go to PEBA’s website, peba.sc.gov, and select Member Access from the top.

02 To set up your account, select the Register Now button.

03 Enter your last name, Social Security number and date of birth, and then select Continue.

04 Verify your identity by selecting your previous or current address, employer, previous name or information regarding your benefit check from the list of choices, and then select Continue.

05 Choose a unique username. Your username must be at least three characters in length and cannot contain spaces.

06 Choose a password for your account, keeping in mind the requirements in the gray box. Enter a valid email address, and then select Continue.

07 Congratulations! You are now ready to use Member Access. Select Member Access Sign In to get started.
