

Walhalla regional screening registration

About the screening

Date	Location	Registration deadline
September 30, 2026	Clemson Health Clinic 200 Booker Drive Walhalla, SC 29691	September 28, 2026

This screening, worth nearly \$500, is offered at no cost to employees, retirees, spouses, dependent children ages 19 and older, and COBRA subscribers whose primary coverage is the State Health Plan. In about 48 hours after your screening, you will receive your results that highlight any values outside the normal range. We recommend sharing your results with your network provider.

What's included in the screening

- Lipid profile (total cholesterol, LDL, HDL and triglyceride).
- Chemistry profile (Blood Urea Nitrogen (BUN) and creatinine, glucose, electrolytes, chloride and bicarbonate).
- Hemogram (Red and white blood cell count, hemoglobin and hematocrit).
- Blood pressure, height and weight.

Registration

Call 864.656.3076 to schedule your appointment, or [complete this online form](#) to register. If you have any questions, contact Clemson Rural Health at clemsonruralhealth@clemson.edu or 864.656.3076.

Terms and conditions

- The preventive screening requires a 12-hour fasting prior to your appointment time; however, you may drink water during this 12-hour period. We encourage you to drink plenty of water prior to your screening, which helps with the blood draw.
- If you take medications, please continue to do so.
- Arrive as close to your designated appointment time as possible.
- Bring your insurance card with you to the screening. Your benefits identification number (BIN), which is on your insurance card, is required when filling out paperwork.
- The Plan allows for one preventive screening per calendar year (January to December).
- If Medicare or TRICARE is your primary insurance, you are not eligible to receive a screening at no cost.
- At your screening, you will have the option to send your screening results to BlueCross BlueShield of South Carolina to help you better manage your health.
- Appointment times are assigned on a first-come, first-served basis.
